Insert: "NEW SECTION. **Section 12. Extension of 2009 deadlines relating to property taxation.** As a result of the changes in the mitigation strategy of reappraisal for class three, four, and ten property enacted by the 61st legislature, it may not be possible to comply with certain statutory deadlines relating to appraisals, assessments, reimbursements, budgets, and collection of property taxes. The state appraisal and assessment process may be delayed, which in turn may cause delays for the tax appeal boards and local government taxing jurisdiction budgeting and collection processes. Therefore, for tax year 2009, all deadlines are extended as necessary and reasonable, except that the time limits allowed for filing an appeal remain the same as provided by law in order to allow for the orderly and efficient assessment and collection of taxes.
